Dear Doctor Berger:

Dr. Schmidek's office has advised us that there are no official minutes for the Spine Section meeting held in April, 1984.

At Debra's request, I am enclosing a copy of a letter which Dr. Schmidek has requested the AANS National Office to distribute to Spine Section members. We expect that this letter will be distributed sometime within the next week or so, just as soon as new Spine Section letterhead is printed. This letter is the information that Dr. Schmidek advised you as being available from the National Office.

For your information, we have had a shifting of staff responsibilities within the National Office recently. I will be available to assist you with the publishing of the Section newsletter. Please let me know how I can help!

Sincerely,

Annie Engelhardt
Special Projects Coordinator
