Dear Doctor Dawson:

We are pleased to advise that hotel and meeting arrangements have been confirmed for our 1986 joint sponsorship course on Acute Spinal Injuries.

The meeting arrangements are on hold at Innisbrook in Tarpon Springs, Florida, June 12-15, 1986. I am sorry there has been some confusion on the dates, as we had originally requested June 11-14, but the hotel later advised that they had a conflict with our arrival day.

At this time, all arrangements are the same as outlined for our December 2-5, 1985 course. Should you have any changes, please let me know as soon as possible.

Best regards,

Andrea F. Korogi
Executive Assistant
