Dear Carl:

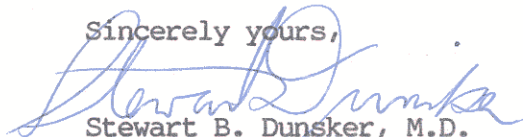

Thanks to you and Linda the meeting of the Spine Section went very smoothly. We are indebted to you for all of your contributions to our section activities.

I was reviewing our financial statement recently. It is difficult for me to delineate what the actual administrative charges are to our section from the AANS. However, I would like you to review them. It seems that the costs are six thousand dollars a year, which represents about 65 percent of our annual dues.

In addition to the annual financial statement from the Spine section, is it possible to obtain a cost/revenue analysis of the annual meeting that will help us plan for the future. That will be extremely important because in 1989 it may not be possible to have exhibitors in Mexico.

Thank you for your assistance.

Sincerely yours,

  
Stewart B. Dunsker, M.D.
