Dear Steve:

I tried to call you unsuccessfully last week to discuss your letter of December 12 in which you stated that the AANS had provided \$ 10,000.00 start up money for the proposed 1985 Spine Section Meeting.

Since that time, I have received a letter from Ed Seljeskog who indicated that the AANS had authorized \$ 5,000.00 in expenses (a copy of this letter is enclosed).

I called Ed later, who told me that the AANS had voted \$ 5,000.00 with the expectation that additional \$ 5,000.00 would come from the Congress. He led me to believe that this had all been arranged and that I would shortly hear from the Congress. To date I have received no further word on this and wonder if you could straighten this out for me.

Best regards and thanks in advance for your help.

Sincerely,

Russell W. Hardy, Jr., M.D.
