Dear Doctor Dawson:

To supplement Doctor Goldring's July 3 letter, I enclose a list containing addresses and telephone numbers for the Neurosurgical Representatives appointed to the Steering Committee for the Joint Course on Acute Spinal Injuries. Although I am sure you have already done so, I have forwarded to the Neurosurgical Representatives a copy of the program which was enclosed with your July 5 letter. I know you will be in touch with these people soon, with reference to an initial meeting of the Steering Committee in September.

I certainly share your very positive feelings about this excellent course concept, and look forward to working with you in the months to come.

Yours very truly,

  
Carl H. Hauber, CAE
