SUBJECT: Spine Section Update

We have been informed that Schmidek will replace Stewart Dunsker who has resigned as Secretary of the Section.

Schmidt is sending a membership list, which I would like you to ask Anna to key into the computer (much like we handle pediatrics) with proper coding so that the list can be called up at any time (this assumes that the spine section list is not already on the computer). He is also sending along a letter which is to go out to spine section members.

You will want to coordinate this with him, advising how long it will take to get the spine section membership on the computer, and when the letter can be distributed.
