Dear Doctor Sybert:

The Board of Directors of the AANS at its meeting April 11-13, 1986, approved the name change of the Joint Section of Spinal Disorders to Joint Section on Spine and Peripheral Nerve Disorders. Hopefully, this will be presented and approved by the Congress of Neurological Surgeons Executive Committee at its next meeting.

We would sincerely appreciate information from the Congress or yourself if they agree because it will necessitate a change in the bylaws for the AANS which we would like to proceed with at our next meeting.

Congratulations on the success that this Section is enjoying!

Sincerely,

David L. Kelly, Jr., M.D.
