7082 Oberkochen,
WEST GERMANY

Dear Ms. Koblank:

This will acknowledge your November 20 letter, and advise that the brochures have arrived safely, and in good condition.

As discussed with Mr. Brock, we will mail these brochures during the month of January. It is our plan to include them with a regular AANS mailing, to minimize the postage expense to you. When the mailing is completed, we will invoice you for the cost of inserting the brochures and any related postage.

Would you please confirm that the following is satisfactory: We plan to mail to all members of the American Association of Neurological Surgeons and the Congress of Neurological Surgeons on the North American continent (the United States, Canada and Mexico). Assuming that much more effective mailing of European neurological surgeons will be handled by European associations, we will use the remainder of our brochures to circulate to members in Japan and South America. Is this correct?

We are happy to assist you and Dr. Samii in announcing this fine symposium.

Yours very truly,

Carl H. Hauber, CAE
Executive Director
