RE: CNS Newsletter Announcement

Dear Steve:

I am enclosing an announcement that the Joint Section on Spinal Disorders of the AANS and CNS would like published in the August issue of the CNS Newsletter. In addition, a call for abstract form is enclosed which we would like to have accompany the CNS Newsletter. This could be either a tearout or loose enclosure, whichever is the most efficient form in which to get it to our membership. If there are any problems, please do not hesitate to communicate with me regarding this announcement and call for abstracts. Thank you for your help.

Warmest personal regards,

George W. Sybert, M.D.

GWS/jw
