Roy W. Black, President  
Codman & Shurtleff, Inc.

Randolph Industrial Park

Dear Mr. Black:

My apologies for the lengthy delay in arriving at the proper means to handle the generous grant which Codman & Shurtleff has made to the publication of a textbook on Treatment of Spinal Disorders. In deference to Codman & Shurtleff, which has been extremely helpful to the neurosurgical community over the years, we felt it was our obligation to formalize the dispensation of this gift, as set forth in the attached letter to Dr. Sundaresan. In fact, the AANS leadership plans to handle all future gifts in this fashion.

Please be assured of our desire to be of the utmost assistance.

Yours very truly,

Carl H. Hauber, CAE  
Executive Director
