Psychology

Robert G. Tureen, PhD.

Dear Ms. Bouyer:

Director of Research

Jeffrey T. Keller, Ph.D.

Stewart Dunsker, I believe, has told you that I will be the editor of the spine section newsletter. I wonder if you could send me copies of any other section newsletters such as the vascular section. I have a copy of the new newsletter sent out by the pediatric section. Any other information you could give me I would be happy to receive.

Consultants

Radiology

William R. Dickens, M.D.

Neuroradiology

Robert Lukin, M.D.

Pediatric Neurology

M. Harold Fogelson, M.D.

Neuroanatomy

James Hall, Ph.D.
