Dear Member of the Joint Section on Spinal Disorders AANS/CNS:

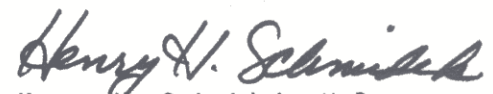

The twelfth annual meeting of the Cervical Spine Research Society will be held on December 5-8, 1984 in New Orleans, Louisiana. At this time, we are soliciting manuscripts, scientific exhibits and posters for that meeting.

Carefully comply with the following directions for submitting abstracts:

1. Send two original copies of your typewritten manuscript on the orthopedic transaction forms provided. Xeroxed copies are not acceptable. One form will be used to reproduce accepted manuscripts in the printed meeting program and the other will be used to print accepted manuscripts in the "Journal of Bone and Joint Surgery." Instructions are enclosed for completion of these forms. Please read carefully before typing. Also complete the enclosed application form and answer all questions. You may apply for a scientific paper, scientific exhibition, or poster presentation. If a paper is not accepted for presentation, you have the option of submitting it for the poster session.
2. All abstracts must reach Paul R. Cooper, M.D., Chairman of the Program Committee, by September 10, 1984.
3. If you have any questions, need more forms, etc., write or call Paul R. Cooper, M.D., 550 First Avenue, New York, NY 10016. Telephone: 212/340-6514.

Sincerely yours,

Russell W. Hardy, M.D.
Chairman
