Re: Joint Section on Spinal Disorders

Dear Dr. Shea:

We have your address on file for requesting membership in the Joint Section on Spinal Disorders. It is a requirement of that section that individuals be members of the Congress of Neurological Surgeons and/or the American Association of Neurological Surgeons.

According to membership rosters, you are not listed as a member of either of those organizations. If that is correct, it is not possible for you to be a member of the Joint Section on Spinal Disorders. If that information is in error, please notify me.

Sincerely yours,

Stewart B. Dunsker, M.D.
Secretary
Joint Section on Spinal Disorders
